[How can we have our monument cleaned?](#)

You have the option of cleaning your monument personally, or have it done professionally by our staff. Contact us for more information on having your monument cleaned. If you wish to clean the monument yourself, we recommend using water and a soft-bristled brush. Avoid using abrasive or harsh materials as it could damage the monument.

[What decorations are permitted at the grave?](#)

Plotted plants and fresh cut flowers may be placed at graves. You may also use artificial decorations like silk, straw, or dried flowers or artificial potted plants.

[What are the benefits of choosing a columbarium or mausoleum burial?](#)

There are those who choose columbarium niches or mausoleum crypts because they are dry and clean. This is a good option for those who do not wish to have a ground burial.

[Can vaults be personalized?](#)

Yes. We offer a wide array of personalization options that can meet your needs. Get in touch with us to find out how your loved one's vault can be personalized.
